Proposed Changes to Local Rules Effective July 1, 2016

Pursuant to California Rules of Court, rule 10.613(g), the following proposed amendments to the local rules are hereby distributed for comment.

Public comments must be submitted in writing and directed to Jeanine D. Tucker, Court Executive Officer, Superior Court of California, County of Tuolumne, 41 West Yaney Avenue, Sonora, CA 95370.

Comments must be received no later than 3:00 p.m. on May 13, 2016.

During this cycle, in addition to proposing substantive amendments to the rules (see below), we updated the table of contents; changed the numbering system once again; made various nonsubstantive changes to certain rules and their titles to improve clarity, readability, and internal consistency; moved certain provisions to more appropriate locations within the rules; deleted language that merely duplicated language of other governing authorities; and updated and corrected the citations in the rules. Rules affected by citation updates and corrections are listed below.

The following rules are proposed to be amended, added, or deleted, and a link to a full set of the local rules reflecting all proposed changes can be accessed on the front page of the Court's website.
